---

FUNDING FOR THIS EXPEDITION IS  
GRACIOUSLY PROVIDED BY  
NUMEROUS PRIVATE DONORS.

*Few men have the mettle to  
go face to face with mother  
nature at her most extreme,  
fewer even to survive such an  
ordeal.*

*If you think you've got what  
it takes, come see us in New  
York come September.*

*J.*
